

# Learn English and gain local work experience

The Navitas English Consortium offers free\* courses for AMEP eligible students through the Settlement Language Pathways to Employment/Training Program (SLPET).

## Pathways to Employment/Training

Learn English and prepare to work in Australia with the AMEP SLPET courses:

- Up to 200 additional AMEP hours (on top of 510 hours)
- Up to 60 hours of work experience, depending on the course (part of the additional 200 hours)

The courses will focus on helping you get a job, covering topics including industry requirements, networking, work preparation skills, Australian workplace culture, job search skills, career advice and workplace communication.

## What is work experience?

A work experience placement allows you to spend some time in a local business to gain valuable experience in your chosen industry. The work experience will be in an area related to the course.

## Who are these courses for?

AMEP eligible students who:

- have at least 1 AMEP hour remaining and not have achieved CSWE Certificate III (contact the Employment Pathways Unit to check your eligibility)
- are ready for work or further study
- have enough English to be able to work in the industry
- have not already participated in a SLPET course before

## When do the courses start?

Check our course information sheet for course start dates and locations. If you are eligible and interested in these courses, come to an enrolment session to find out more.

*The SLPET program was the best thing that ever happened in my life. This program opened my mind and eyes to the Australian job market, taught me how to find a job, write a CV, letter and how to provide professional customer service. And before I finished this program I found a job!*

Ali, SLPET

## What type of courses are offered?
