

Language and digital skills training for work

The Skills for Education and Employment (SEE) program at Navitas English can help you build your skills and knowledge to improve access to employment and further training.

- Do you want to learn about local **job opportunities**?
- Are you **looking for work** or planning to study?
- Do you want to **gain work skills**?
- Do you need to **improve your language**, literacy or numeracy?

In the Navitas English SEE program you will learn how to:

Prepare for interview success

Develop the skills needed to get a job

Use digital technology for workplace tasks

Communicate effectively in the workplace

Work well in a team and independently

Identify jobs which match your skills

Manage money and finances

Develop confidence in language, literacy and numeracy skills

Study Options

Navitas English delivers the SEE Program either face-to-face, or online. This flexible delivery enables students to manage their learning around other day-to-day activities.

Online activities include:

- skills and experience
- job search activities
- job applications and interviews
- workplace communication and culture
- developing digital skills for work on mobile and computer devices
- scenario-based training

A trainer will discuss participation options when participant commences face-to-face training.
